INTRODUCTION

INTRODUCTION

Flipping burgers is a mobile kitchen that mostly deals in fast food. We specialize in serving our clients with mouth watering food that satisfies their taste buds.

Flipping burgers has been in existence for the past 1 year and over that period we've been able to do quite a lot generally.

VISIONS AND MISSIONS

Vision:

Our vision is to become one of the leading and best mobile kitchen fast food providers known for delicious and mouthwatering delicacies. We aim at expanding our reach and bringing the joy of outside catering to communities far and wide.

Mission:

Our mission is to always deliver exceptional food and create unforgettable culinary experience at each and every event that we grace. We are committed to providing customers delicious meals and quality services so that they may experience value for their money.

SELLING PREPOSITIONS ↘

Quality on wheels- we bring restaurant quality and vibes to outside catering.

Customizable experience- Our menus are fully customizable to match the theme and preference of your events.

Interactive cooking- our open kitchen setup allows guests to watch their meals being made adding an engaging and entertaining element to the event.

Speed and Efficiency- Our mobile setup ensures quick services without compromising on quality, perfect for events with large crowds.

MARKET ANALYSIS

Our main area of focus are outdoor events. We specialize in events/ concerts, festivals, team buildings, birthday parties and even outdoor/ indoor corporate events.
