company profile

Synergy Kitchen Solutions

Synkisol Limited is a one stop shop for Commercial Kitchen and Restaurant solutions. We are involved in bespoke kitchen concept development, customizations, fabrications and installations. Our clients enjoy professional services, competitive rates and locally sourced expertise.

Performance is the most important aspect for your business and that is what we offer you..

Synkisol
Synergy Solutions

Our History

In the past, doing a kitchen project relied on imported solutions.

Incorporated under the Companies Act 2015, **Synkisol Limited**, was started to fill this niche. We are a hospitality solutions provider dealing in commercial kitchen solutions as well as hospitality management & consultancy business, operating in Kenya.

We have profound experience and in-depth knowledge in the industry and are actively involved in every project we undertake. Client satisfaction is our priority and ultimately bringing life into client's ideas is our pride.

Mission

Provision of quality, professional and cost-effective commercial kitchens/hospitality solutions

Vision

Grow to become a leading provider of one stop cost effective hospitality solutions within Kenya and across the borders through offering synergistic solutions to our clients

Quality Assurance

We are driven by the belief that quality is important for the growth of our company and therefore, we provide our solutions taking into account and quality of raw materials and technical skills to achieve the best outcome.

Our Pillars

Our Services

1 — STAINLESS STEEL PRODUCTS

We offer you an array of specialized custom made stainless steel products that include stainless steel tables, stainless steel sinks, stainless steel racks, stainless steel hoods. These are made from high quality raw materials that are durable and aesthetic and that are to your structural warranty.

2 — STUNNING DESIGN

We provide detailed 2D and 3D drawings on your specific requirement to assist in giving you an idea of what to expect as well as detailing site requirements in terms of service and equipment layout..

Our product Services

3 — ASSORTED IMPORTED ITEMS

This range includes items such as fridges, ovens, cookers, coffee machines, blenders & mixers. These items are sourced both locally and abroad from some of the re-known brands and leaders in the provision of commercial kitchen equipment.

4 — AFTER SALES SERVICES

We are backed up by a team of well trained service technicians and engineers with vast knowledge and hands on in hospitality solutions.
